**IN RE: TAKATA AIRBAG PRODUCTS  
LIABILITY LITIGATION,**

This Document Relates to:

ALL ECONOMIC LOSS ACTIONS  
AGAINST FORD MOTOR COMPANY

**FINAL ORDER APPROVING CLASS  
SETTLEMENT AND CERTIFYING SETTLEMENT CLASS**

THIS CAUSE came before the Court upon Plaintiffs' Motion for Final Approval of Class Settlement and Certification of Settlement Class, and Application for Class Representative Service Awards and Class Counsel's Attorneys' Fees (D.E. 3069 in 15-02599 and D.E. 1065 in 14-24009), filed on November 2, 2018.

In short, Objectors to the Proposed Ford Class Settlement renew the same objections previously overruled when the Court approved six prior settlements between plaintiffs and other automotive manufacturer defendants in this multidistrict litigation case. Consistent with the Court's prior rulings, the Court overrules the instant objections and enters this Final Order Approving Class Settlement and Certifying Settlement Class.

The primary objection to the Proposed Ford Class Settlement is the total value of attorneys' fees: \$74,775,000, or 25% of the \$299,100,000 common fund. In the recent Honda and Nissan settlements, the Court reduced by 10% Class Counsel's request for attorneys' fees—from the requested 30% to 20% of the respective common funds. (See D.E. 2386 at 1–2; 2389 at 1–2.) In each Final Approval Order, the Court “reject[ed] the categorization that the [settled] cases [were] ‘carbon copies’ of each other, but it also recognize[d] that they [were] litigated together.” Applying the factors articulated in *Camden I Condo. Ass'n. v. Dunkle*, 946 F.2d 768

(11th Cir. 1991), the Court concluded attorneys' fees totaling 20% of the common funds were reasonable. *Id.* Here, and consistent with the Court's two prior attorneys' fees reductions, Class Counsel preemptively reduced its attorneys' fees request to 25%. **(D.E. 3069 at 18.)** Considering the *Camden I* factors again, the Court concludes Class Counsel's instant request for attorneys' fees totaling \$74,775,000, or 25% of the \$299,100,000 common fund, is reasonable.

Objectors also attack the common fund's valuation for purposes of applying the attorneys' fees percentage. Several Objectors argue the "Outreach Program" and "Rental Car/Loaner Program" do not provide a substantial benefit to the Class, and thus the programs are not worth the values set forth in the proposed settlement agreement.<sup>1</sup> The Court overruled these same objections to the Honda and Nissan settlements because the "recall effort affect[ed] the health and safety of consumers," and the Court found "it [wa]s in the public interest and that of the federal government" to commence the Outreach Program as soon as practicable. **(See D.E. 2385 at 6; 2388 at 5.)** Other Objectors argue the values of the "Outreach Program" and "Rental Car/Loaner Program" should be subtracted from the common fund when applying the attorneys' fees percentage. The Court likewise overruled these same objections to the Honda and Nissan settlements because attorneys' fee awards can be based on non-monetary benefits.<sup>2</sup>

THE COURT has considered the motion, the supporting memoranda, objections, responses to objections, and other pertinent portions of the record, including prior settlements. Furthermore, the Court held a Fairness Hearing on December 11, 2018 where it heard oral argument from several Objectors and the Plaintiffs, and the Court was advised of the ongoing efforts of the Outreach Program by the Settlement Special Administrator. Being fully advised in the premises

---

<sup>1</sup> The proposed settlement values the Outreach Program at 33% of the total Settlement Amount, and values the Rental Car/Loaner Program as a credit to Ford totaling 20% of the total Settlement Amount.

<sup>2</sup> *See, e.g., Faught v. American Home Shield Corp.*, 668 F.3d 1233, 1243–44 (11th Cir. 2012) (affirming fee award "designed to compensate the class counsel for the non-monetary benefits they achieved for the class").

**IT IS HEREBY ORDERED AS FOLLOWS:**

1. This Final Order Approving Class Action Settlement incorporates the Settlement Agreement and its exhibits, and the Preliminary Approval Order. Unless otherwise provided herein, the terms defined in the Settlement Agreement and Preliminary Approval Order shall have the same meanings for purposes of this Final Order and accompanying Final Judgment.

2. The Court has personal jurisdiction over all parties in the Action, including all Class Members, and has subject matter jurisdiction over the Action, including jurisdiction to approve the Settlement Agreement, grant final certification of the Class, to settle and release all claims released in the Settlement Agreement, and to dismiss the economic loss claims asserted against Ford in the Actions with prejudice and enter final judgment with respect to Ford in the Actions. Further, venue is proper in this Court.

**I. THE SETTLEMENT CLASS**

3. Based on the record before the Court, including all submissions in support of the settlement set forth in the Settlement Agreement, objections and responses thereto and all prior proceedings in the Action, as well as the Settlement Agreement itself and its related documents and exhibits, the Court hereby confirms the certification of the following nationwide Class (the "Class") for settlement purposes only:

(1) all persons or entities who or which owned and/or leased, on the date of the issuance of the Preliminary Approval Order, Subject Vehicles distributed for sale or lease in the United States or any of its territories or possessions; and (2) all persons or entities who or which formerly owned and/or leased Subject Vehicles distributed for sale or lease in the United States or any of its territories or possessions, and who or which sold or returned, pursuant to a lease, the Subject Vehicles after June 19, 2014, and through the date of the issuance of the Preliminary Approval Order. Excluded from this Class are: (a) Ford, its officers, directors, employees and outside counsel; its affiliates and affiliates' officers, directors and employees; its distributors and distributors' officers and directors; and

Ford's Dealers and their officers, directors, and employees; (b) Settlement Class Counsel, Plaintiffs' counsel, and their employees; (c) judicial officers and their immediate family members and associated court staff assigned to this case, any of the cases listed in Exhibit 1, or the 11th Circuit Court of Appeals; (d) Automotive Recyclers and their outside counsel and employees; and (e) persons or entities who or which timely and properly exclude themselves from the Class.

4. The Court finds that only those persons/entities/organizations listed on Appendix B to this Final Order Approving Class Action Settlement have timely and properly excluded themselves from the Class and, therefore, are not bound by this Final Order Approving Class Action Settlement or the accompanying Final Judgment.

5. The Court confirms, for settlement purposes and conditioned upon the entry of the Final Order and Final Judgment and upon the occurrence of the Effective Date, that the Class meets all the applicable requirements of FED. R. CIV. P. 23(a) and (b)(3):

a. *Numerosity.* The Class, which is ascertainable, consists of millions of persons located throughout the United States and satisfies the numerosity requirement of FED. R. CIV. P. 23(a)(1). Joinder of these widely dispersed, numerous Class Members into one suit would be impracticable.

b. *Commonality.* There are some questions of law or fact common to the Class with regard to the alleged activities of Ford in this case. These issues are sufficient to establish commonality under FED. R. CIV. P. 23(a)(2).

c. *Typicality.* The claims of class representatives are typical of the claims of the Class Members they seek to represent for purposes of settlement.

d. *Adequate Representation.* Plaintiffs' interests do not conflict with those of absent members of the Class, and Plaintiffs' interests are co-extensive with those of absent Class Members. Additionally, this Court recognizes the experience of Settlement Class Counsel. Plaintiffs and their counsel have prosecuted this action vigorously on behalf of the Class. The

Court finds that the requirement of adequate representation of the Class has been fully met under FED. R. CIV. P. 23(a)(4).

e. *Predominance of Common Issues.* For settlement purposes, the questions of law or fact common to the Class Members predominate over any questions affecting any individual Class Member.

f. *Superiority of the Class Action Mechanism.* The class action mechanism provides a superior procedural vehicle for resolution of this matter compared to other available alternatives. Class certification promotes efficiency and uniformity of judgment because the many Class Members will not be forced to separately pursue claims or execute settlements in various courts around the country.

6. The designated class representatives are as follows: Nancy Barnett, Alicia Benton, Boyd Cantu, Jr., Matt Dean, Patricia Dumire, Joe Emanus, Madilyn Fox, Carolyn Gamble, Randall Hall, Brad Hays, Walter Heint, John Huebner, John Huff, Matthew Long, Juan Lugo, Jennifer Manfrin, Frank Mason, Richard McCormick, Joan Overmyer, Travis Poper, Mary Anne Pownall, William Reedy, Mark Schmidt, Krystal Shelby, Eugennie Sinclair, Tekeisha Washington, and Teresa Woodard. The Court finds that these Class Members have adequately represented the Class for purposes of entering into and implementing the Settlement Agreement. The Court appoints Peter Prieto of Podhurst Orseck, P.A. as Lead Settlement Class Counsel, and David Boies of Boies, Schiller & Flexner, L.L.P., Todd A. Smith of Power, Rogers and Smith, L.L.P., Roland Tellis of Baron & Budd, P.C., James E. Cecchi of Carella, Byrne, Cecchi, Olstein, Brody, & Agnello, PC, and Elizabeth J. Cabraser of Lieff Cabraser Heimann & Bernstein, LLP as Settlement Class Counsel.

7. In making all of the foregoing findings, the Court has exercised its discretion in certifying the Class.

## **II. NOTICE AND OUTREACH TO CLASS MEMBERS, AND QUALIFIED SETTLEMENT FUND**

8. The record shows and the Court finds that the Class Notice has been given to the

Class in the manner approved by the Court in its Preliminary Approval Order. The Court finds that such Class Notice: (i) is reasonable and constitutes the best practicable notice to Class Members under the circumstances; (ii) constitutes notice that was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Action and the terms of the Settlement Agreement, their right to exclude themselves from the Class or to object to all or any part of the Settlement Agreement, their right to appear at the Fairness Hearing (either on their own or through counsel hired at their own expense) and the binding effect of the orders and Final Order and Final Judgment in the Action, whether favorable or unfavorable, on all persons and entities who or which do not exclude themselves from the Class; (iii) constitutes due, adequate, and sufficient notice to all persons or entities entitled to receive notice; and (iv) fully satisfied the requirements of the United States Constitution (including the Due Process Clause), FED. R. CIV. P. 23 and any other applicable law as well as complying with the Federal Judicial Center's illustrative class action notices.

9. The Court further finds that Ford, through the Settlement Notice Administrator, provided notice of the settlement to the appropriate state and federal government officials pursuant to 28 U.S.C. §1715. Furthermore, the Court has given the appropriate state and federal government officials the requisite ninety day time period to comment or object to the Settlement Agreement before entering its Final Order and Final Judgment.

10. The Parties' Settlement includes an Outreach Program by which a Settlement Special Administrator will take additional actions to notify vehicle owners about the Takata Airbag Inflator Recalls and to promptly remedy those issues. This Outreach Program includes, but is not limited to: (a) direct contact of Class Members via U.S. mail, landline and cellular telephone calls, social media, email and texting; (b) contact of Class Members by third parties (e.g., independent repair shops); and (c) multi-media campaigns, such as through print, television, radio, and internet. Because of the important public safety concerns involved with such a massive recall effort, the Court finds that it is in the public interest and that of the federal

government to begin this Outreach Program as soon as practicable, if not already begun, and that calls and texts made under the Outreach Program are being made for emergency purposes as that phrase is used in 47 U.S.C. § 227(b)(1)(A). The Settlement Special Administrator and those working on his behalf shall serve as agents of the federal government for these purposes and shall be entitled to any rights and privileges afforded to government agents or contractors in carrying out their duties in this regard.

11. The Court finds that the Escrow Account is to be a “qualified settlement fund” as defined in Section 1.468B-1(c) of the Treasury Regulations in that it satisfies each of the following requirements:

(a) The Escrow Account is to be established pursuant to an Order of this Court and is subject to the continuing jurisdiction of this Court;

(b) The Escrow Account is to be established to resolve or satisfy one or more claims that have resulted or may result from an event that has occurred and that has given rise to at least one claim asserting liabilities; and

(c) The assets of the Escrow Account are to be segregated from other assets of Defendants, the transferor of the payment to the Settlement Fund and controlled by an Escrow Agreement.

12. Under the “relation back” rule provided under Section 1.468B-1(j)(2)(i) of the Treasury Regulations, the Court finds that Ford may elect to treat the Escrow Account as coming into existence as a “qualified settlement fund” on the latter of the date the Escrow Account meets the requirements of Paragraphs 11(b) and 11(c) of this Order or January 1 of the calendar year in which all of the requirements of Paragraph 11 of this Order are met. If such a relation-back election is made, the assets held by the Settlement Fund on such date shall be treated as having been transferred to the Escrow Account on that date.

### **III. FINAL APPROVAL OF SETTLEMENT AGREEMENT**

13. The Court finds that the Settlement Agreement resulted from extensive arm’s-

length good faith negotiations between Settlement Class Counsel and Ford, through experienced counsel.

14. Pursuant to FED. R. CIV. P. 23(e), the Court hereby finally approves in all respects the Settlement as set forth in the Settlement Agreement and finds that the Settlement Agreement, and all other parts of the settlement are, in all respects, fair, reasonable, and adequate, and in the best interest of the Class and are in full compliance with all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Class Action Fairness Act, and any other applicable law. The Court hereby declares that the Settlement Agreement is binding on all Class Members, except those identified on Appendix B, and it is to be preclusive in the Action. The decisions of the Settlement Special Administrator relating to the review, processing, determination and payment of Claims submitted pursuant to the Settlement Agreement are final and not appealable.

15. The Court finds that the Settlement Agreement is fair, reasonable and adequate based on the following factors, among other things: (a) there is no fraud or collusion underlying the Settlement Agreement; (b) the complexity, expense, uncertainty and likely duration of litigation in the Action favor settlement on behalf of the Class; (c) the Settlement Agreement provides meaningful benefits to the Class; and (d) any and all other applicable factors that favor final approval.

16. The Parties are hereby directed to implement and consummate the Settlement according to the terms and provisions of the Settlement Agreement. In addition, the Parties are authorized to agree to and adopt such amendments and modifications to the Settlement Agreement as: (i) shall be consistent in all material respects with this Final Order Approving Class Action Settlement; and (ii) do not limit the rights of the Class.

17. The Court has considered all objections, timely and proper or otherwise, to the Settlement Agreement and denies and overrules them as without merit.

**IV. SETTLEMENT CLASS COUNSEL'S FEE APPLICATION AND INCENTIVE AWARDS TO CLASS REPRESENTATIVES**

18. Class Counsel has applied for a service award in the amount of \$5,000 for each Class Representative. Here, the Class Representatives clearly devoted considerable time and resources to this Action. Specifically, the Class Representatives maintained regular contact with Class Counsel, responded to written discovery requests, and many appeared for depositions. As such, Service Awards in the amount of \$5,000 for each appointed Class Representative are warranted. Accordingly, Class Counsel's application for Service Awards in the amount of \$5,000 for each named Class Representative is **Granted**.

19. Class Counsel has filed an application for attorneys' fees and expenses equal to twenty-five percent (25%) of the \$299,100,000 common fund created through their efforts in prosecuting and settling this Action, totaling **\$74,775,000**. This fee award would also amount to roughly 13.95% of the total Settlement value, based on the valuation of the Settlement's Customer Support Program presented by a warranty valuation expert, Kirk Kleckner.

20. As recognized by the United States Supreme Court, the law is well established that "a litigant or lawyer who recovers a common fund for the benefit of persons other than himself or his client is entitled to a reasonable attorney's fee from the fund as a whole." *Boeing Co. v. Van Gemert*, 444 U.S. 472, 478 (1980). And as the Eleventh Circuit made clear in *Camden I Condo. Ass'n v. Dunkle*, 946 F.2d 768 (11th Cir.1991), the law is equally well established in this jurisdiction that "[a]ttorneys' fees awarded from a common fund shall be based upon a reasonable percentage of the fund established for the benefit of the class." *Camden I*, 946 F.2d at 771.

21. As the Eleventh Circuit recently reaffirmed in *Muransky v. Godiva Chocolatier, Inc.*, 905 F.3d 1200 (11th Cir. 2018), "25% of a common fund [is] a benchmark attorney's fee award." *Id.* at 1217.

22. Per *Camden I*, the Court may also consider the following nonexclusive list of factors in determining the reasonableness of the attorneys' fees are as follows:

(1) the time and labor required; (2) the novelty and difficulty of the questions; (3) the skill required to perform the legal services properly; (4) the preclusion of other employment; (5) the customary fee; (6) whether the fee is fixed or contingent; (7) the time limitations imposed by the client or the circumstances; (8) the amount involved and the results obtained; (9) the experience, reputation, and ability of the attorneys; (10) the “undesirability” of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases.

946 F.2d at 772 n. 3.

23. In support of their request for attorneys’ fees, Class Counsel has presented the Declaration of Professor Brian Fitzpatrick, a leading scholar on class actions, and the Declaration of Peter Prieto, Esq., the Court-appointed Chair Lead Counsel in this litigation. Both Declarations analyze each of the factors set forth in *Camden I*, and conclude that every applicable one of them supports the reasonableness of the instant fee request. This Court agrees. This Court independently has analyzed the *Camden I* factors against the unique facts of this case and concludes that each and every applicable one of them supports the reasonableness of the instant fee request.

24. Furthermore, two additional factors support the reasonableness of the requested fee. First, as highlighted in the Declarations, the requested fee actually amounts to less than the benchmark 25% of the common fund created through the settlement, due to the value of the Customer Support Program made available to all Class Members. See *Carter v. Forjas Taurus, S.A.*, No. 16-15277, 2017 WL 2813844, at \*5 (11th Cir. June 29, 2017) (holding that fee award was “a reasonable percentage of the settlement value” when considering the value of an “enhanced warranty, which is itself a significant tangible benefit”).

25. Second, in addition to the time and labor already devoted to this case, Class Counsel will be required to expend considerable time and effort over the four-year lifespan of the settlement overseeing and adjusting the Outreach Program and Out-of-Pocket Claims Process for the benefit of Class Members. See *Allapattah Services, Inc. v. Exxon Corp.*, 454 F. Supp. 2d 1185, 1216 (S.D. Fla. 2006) (holding that class counsel’s post-approval work “supports the application of a higher fee percentage award”).

26. Accordingly, the Court approves the application for attorneys' fees in the amount of \$74,775,000, to be paid from the common fund.

**V. DISMISSAL OF CLAIMS, RELEASE**

27. All economic loss claims asserted against Ford in the Action are hereby dismissed with prejudice on the merits and without costs to any party, except as otherwise provided herein or in the Settlement Agreement.

28. Upon entry of this Final Order Approving Class Action Settlement and the Final Judgment, class representatives and each Class Member (except those listed on Appendix B), on behalf of themselves and any other legal or natural persons and entities who or which may claim by, through or under them, including their executors, administrators, heirs, assigns, privies, predecessors and successors, agree to fully, finally and forever release, relinquish, acquit, discharge and hold harmless the Released Parties from the Claims and any and all other claims, demands, suits, petitions, liabilities, causes of action, rights, losses and damages and relief of any kind or type regarding the subject matter of the Actions, including, but not limited to, compensatory, exemplary, statutory, punitive, restitutionary, expert or attorneys' fees and costs, whether past, present, or future, mature or not yet mature, known or unknown, suspected or unsuspected, contingent or non-contingent, derivative, vicarious or direct, asserted or unasserted, and whether based on federal, state or local law, statute, ordinance, rule, regulation, code, contract, tort, fraud or misrepresentation, common law, violations of any state's or territory's deceptive, unlawful, or unfair business or trade practices, false, misleading or fraudulent advertising, consumer fraud or consumer protection statutes, or other laws, unjust enrichment, any breaches of express, implied or any other warranties, violations of any state's Lemon Laws, the Racketeer Influenced and Corrupt Organizations Act, or the Magnuson-Moss Warranty Act, or any other source, or any claims under the Trade Regulation Rule Concerning the Preservation of Consumers' Claims and Defenses 16. C.F.R. § 433.2, or any claim of any kind, in law or in equity, arising from, related to, connected with, or in any way involving the

Claims or the Actions, the Subject Vehicles' driver or passenger front airbag modules containing desiccated or non-desiccated Takata PSAN inflators, and any and all claims involving the Takata Airbag Inflator Recalls that are, or could have been, alleged, asserted or described in the Complaint, Amended Consolidated Class Action Complaint, the Second Amended Consolidated Class Action Complaint, the Revised Third Amended Consolidated Class Action Complaint, the Fourth Amended Consolidated Class Action Complaint, the Actions or any amendments of the Actions.

29. If a Class Member who does not opt out commences, files, initiates, or institutes any new legal action or other proceeding against a Released Party for any claim released in this Settlement in any federal or state court, arbitral tribunal, or administrative or other forum, such legal action or proceeding shall be dismissed with prejudice at that Class Member's cost.

30. Notwithstanding the Release set forth in the Settlement and this Order, Class Representatives and Class Members are not releasing and are expressly reserving all rights relating to claims for bodily injury, wrongful death or physical property damage (other than to the Subject Vehicle) arising from an incident involving a Subject Vehicle, including the deployment or non-deployment of a driver or passenger front airbag with a Takata PSAN inflator.

31. Notwithstanding the Release set forth in the Settlement and this Order, Class Representatives and Class Members are not releasing and are expressly reserving all rights relating to claims against Excluded Parties.

32. By not excluding themselves from the Action and to the fullest extent they may lawfully waive such rights, all class representatives and Class Members are deemed to acknowledge and waive Section 1542 of the Civil Code of the State of California and any law of any state or territory that is equivalent to Section 1542. Section 1542 provides that:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR**

**HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH  
IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED  
HIS OR HER SETTLEMENT WITH THE DEBTOR.**

33. The Court orders that the Settlement Agreement shall be the exclusive remedy for all claims released in the Settlement Agreement for all Class Members not listed on Appendix B.

34. Therefore, except for those listed on Appendix B, all class representatives, Class Members and their representatives are hereby permanently barred and enjoined from, either directly, through their representatives, or in any other capacity instituting, commencing, filing, maintaining, continuing or prosecuting against any of the Released Parties (as that term is defined in the Settlement Agreement) any action or proceeding in any court or tribunal asserting any of the matters, claims or causes of action described. In addition, all class representatives, Class Members and all persons and entities in active concert or participation with Class Members are permanently barred and enjoined from organizing Class Members who have not been excluded from the Class into a separate class for purposes of pursuing, as a purported class action, any lawsuit against the Released Parties based on or relating to the claims and causes of action in the complaint in the Action, or the facts and circumstances relating thereto or the release in the Settlement Agreement. Pursuant to 28 U.S.C. §§1651(a) and 2283, the Court finds that issuance of this permanent injunction is necessary and appropriate in aid of its continuing jurisdiction and authority over the settlement as set forth in the Settlement Agreement, and the Action.

35. Class Members are not precluded from addressing, dealing with, or complying with requests or inquiries from governmental authorities relating to the issues raised in this class action settlement.

**VI. OTHER PROVISIONS**

36. Without affecting the finality of this Final Order Approving Class Action Settlement or the accompanying Final Judgment, the Court retains continuing and exclusive jurisdiction over the Action and all matters relating to the administration, consummation,

enforcement and interpretation of the Settlement Agreement and of this Final Order Approving Class Action Settlement and the accompanying Final Judgment, to protect and effectuate this Final Order Approving Class Action Settlement and the accompanying Final Judgment, and for any other necessary purpose. The Parties, the class representatives, and each Class Member not listed on Appendix B are hereby deemed to have irrevocably submitted to the exclusive jurisdiction of this Court, for the purpose of any suit, action, proceeding or dispute arising out of or relating to the Settlement Agreement or the applicability of the Settlement Agreement, including the exhibits thereto, and only for such purposes.

37. In the event that the Effective Date does not occur, certification of the Class shall be automatically vacated and this Final Order Approving Class Action Settlement and the accompanying Final Judgment, and other orders entered in connection with the Settlement Agreement and releases delivered in connection with the Settlement Agreement, shall be vacated and rendered null and void as provided by the Settlement Agreement.

38. Without further order of the Court, the Parties may agree to reasonably necessary extensions of time to carry out any of the provisions of the Settlement Agreement. Likewise, the Parties may, without further order of the Court, agree to and adopt such amendments to the Settlement Agreement (including exhibits) as are consistent with this Final Order Approving Class Action Settlement and the accompanying Final Judgment and do not limit the rights of Class Members under the Settlement Agreement.

39. Nothing in this Final Order Approving Class Action Settlement or the accompanying Final Judgment shall preclude any action in this Court to enforce the terms of the Settlement Agreement.

40. Neither this Final Order Approving Class Action Settlement nor the accompanying Final Judgment (nor any document related to the Settlement Agreement) is or shall be construed as an admission by the Parties. Neither the Settlement Agreement (or its exhibits), this Final Order Approving Class Action Settlement, the accompanying Final

Judgment, or any document related to the Settlement Agreement shall be offered in any proceeding as evidence against any of the Parties of any fact or legal claim; provided, however, that Ford and the Released Parties may file any and all such documents in support of any defense that the Settlement Agreement, this Final Order Approving Class Action Settlement, the accompanying Final Judgment and any other related document is binding on and shall have res judicata, collateral estoppel, and/or preclusive effect in any pending or future lawsuit by any person or entity who is subject to the release described above in Paragraph 19 asserting a released claim against any of the Released Parties.

41. A copy of this Final Order Approving Class Action Settlement shall be filed in, and applies to, each economic loss member action in this multidistrict litigation. Filed concurrently herewith is the Court's Final Judgment. Attached hereto as Appendix A is a list of the Subject Vehicles (identified by make, model, and year) to which these Orders and the Court's Final Judgment apply. Also attached hereto as Appendix B is a list of persons, entities, and organizations who have excluded themselves from (or "opted out" of) the Class.
