SECTION III: OUT-OF-POCKET EXPENSES

1. Did you pay for any expenses, as further defined below, related to the Takata Airbag Inflator Recall for your Subject Vehicle that have not been reimbursed by Volkswagen or Audi?

Yes
 No

If you answered “Yes” to Question 1 in this Section, please complete the remainder of this Section and Section IV to submit a claim for reimbursement of the out-of-pocket expenses you incurred, in addition to two potential later payments of up to \$250 each from the Settlement Fund.

If you answered “No” to Question 1 in this Section, please skip to and complete Section IV below to register for total potential cash payments of up to \$500 from the Settlement Fund.

The Settlement Special Administrator will process and approve payments from the Settlement Fund in accordance with the Settlement Agreement. Payments for reimbursable out-of-pocket expenses will be made first, and if enough money remains in the Settlement Fund at the end of each program year, that money will be paid to Class Members who: (a) submitted claims for out-of-pocket expenses in that year or prior program years that were previously rejected; or (b) registered for a Residual Distribution payment only.

Reimbursements for out-of-pocket expenses will be made on a first-in-first-out basis during years one through three, until the Settlement Fund is depleted for that year. If there are no more funds to reimburse Class Members in years one through three, those Class Members will be moved to subsequent years for reimbursement. If approved reimbursements to Class Members in year four and until the Final Registration/Claim Deadline exceed the amount available in the Settlement Fund, reimbursements will be made on a pro rata basis.

Settlement Payments (excluding reimbursements for out-of-pocket expenses) are capped at \$250 per Class Member in the Program year in which the Class Member registers for a payment from the Residual Distribution (or a subsequent year if the Class Member is moved to the subsequent year due to insufficient funds in years one through three). Approved payments to Class Members to reimburse them for reasonable out-of-pocket expenses are not capped, unless pro rata reimbursements are required in year four.

After the Final Registration/Claim Deadline, if enough money remains in the Settlement Fund and it is administratively feasible, the remaining money will be paid to all Class Members who registered/submitted a claim for a Settlement Payment on a per capita basis, up to a maximum of \$250 per Class Member. If there are additional funds remaining after those payments and, if it is administratively feasible, the remaining money will be distributed per capita to all Class Members.

Please periodically check the Settlement website www.AutoAirbagSettlement.com for updates about the Settlement, including information about the deadlines for filing Registration/Claim Forms.
